The sixth-grade team is requesting $35 to purchase supplies. This amount will now include a student planner. Sixth grade is striving for simplicity, unity, and organizational skills in the classrooms. Beyond a $35 donation, if your child would like anything additional, we prefer you wait two weeks to purchase, until your child knows what space he/she has available. There is limited space in lockers and desks, and we will have everything essential provided except a backpack.

Jr-High Supply Lists:

Teachers will provide a list of supplies specific for their classes!
