Alternatives to Suspension or Expulsion Policy

I. Board Policy
It is the policy of the Summit Academy board of trustees to offer alternatives to suspension or expulsion pursuant to Code 53A-11-906.

Prior to expelling or suspending a student for repeated acts of willful disobedience, defiance of authority, or disruptive behavior which are not of such a violent or extreme nature that immediate removal is required, good faith efforts shall be made to implement a remediation discipline plan that would allow the student to remain in school.
